

Exceptional Children Poster Presentation

Name: _____ Topic: _____ Date: _____

Prepare a poster for a class presentation describing the characteristics of the Special Needs group you have selected. Use the course text, NICHY and ed.gov as sources for your poster presentation. You should also develop a VERY BRIEF 5 minute ☺ presentation to go along with your poster.

For the poster, please provide accurate **information** and appropriate **visuals** on the following areas:

- Description of the disability
- Prevalence (out of millions/overall nation-wide percentages)
- Markers/characteristics/indicators

Please make it visually interesting and easy to read ☺

| | 1 | 3 | 5 |
|----------------------|--|---|---------------------------------------|
| Organization | Not all 3 areas are listed or are inaccurate | All 3 areas are listed but not completely | All 3 areas are discussed thoroughly |
| Visual Aids/Graphics | Visual aids/Graphics used but need improvement | Good use of visual aids/Graphics | Excellent use of visual aids/graphics |
| Oral Presentation | Fair oral presentation | Good oral presentation | Excellent oral presentation |
| Time Limit | Went WAY over time limit 3 – 5 minutes | Went over time limit | Stayed within time limit |
| | 4pts. | 12 pts. | 15 pts. |

Note: Your job is to plan and present your content information to the rest of the class utilizing a poster session format. I don't expect perfection nor do I expect a complete understanding of everything you present. My job is to help, answer questions, and to clarify the information. This is a learning activity.
